Instructions

- STEP 1: Use one head pin and slip on one Mesh Ball Bead (art. 40519, 19mm, Vintage Rose), create a simple loop to close. Repeat for second Mesh Ball Bead and set aside.
- STEP 2: Using one Add a Bead Earwire, slip on one Bead (art. 5328, 4mm, Crystal Rose Gold) 2X, create a simple loop to close. Repeat for second earwire.
- STEP 3: Cut chain into 2 equal pieces.
- STEP 4: Using the Mesh Ball Bead component from step 1, open the simple loop and add onto one end of one chain created in step 3. Set aside.
- STEP 5: Attach one earwire to the opposite end of chain on the component made in step 4.
- STEP 6: Attach one jump ring to one Pendant (art. 6028, 10mm, Crystal Rose Gold) 2X. Repeat thirty-five more times. Set aside.
- STEP 7: Attach two Pendants (art. 6028, 10mm, Crystal Rose Gold) 2X to one chain link, beginning at the earwire. Working from the top of the chain towards the Mesh Ball Bead, continue attaching two Pendants in each chain link for a total of 18 Pendants.
Note: The Pendants should gently touch the top of the Mesh Ball Bead. If not, shorten the chain accordingly.
- STEP 8: Repeat steps 4 – 7 for the second pair.
