Instructions

- STEP 1: Glue in Rivoli Round Stone (art. 1122, 12mm, Light Silk) onto Twisted Round link. Repeat one more time and set aside to cure.
- STEP 2: Slide on one Bead (art. 5328, 4mm, Light Silk) onto Add a Bead Earwire and make a simple loop. Repeat one more time and set aside.
- STEP 3: Cut four pieces of chain to have nine links in each segment. Cut two pieces of chain to have seven links in each segment. Set aside.
- STEP 4: Cut six 1" pieces of wire and two 2" pieces of wire. Set aside.
- STEP 5: Using a 2" piece of wire make a 2 mm fold at one end to create an end.
- STEP 6: Slide on one Bead (art. 5328, 4mm, Light Silk), one disk Bead, and one Bead (art. 5026, 10mm, Light Silk). Wire wrap to one end of seven link chain piece.

- STEP 7: Using one 1" piece of wire turn a double loop, slide on one Bead (art. 5328, 4 mm, Light Silk), and from the drop end, slip into the second link of the chain, slide on one Bead (art. 5328, 4 mm, Light Silk) and turn a double loop to end wire.
- STEP 8: Using one 1" piece of wire turn a double loop, slide on one Bead (art. 5328, 4 mm, Light Silk), and from the drop end, slip into the fourth link of the chain, slide on one Bead (art. 5328, 4 mm, Light Silk) and turn a double loop to end wire.
- STEP 9: Using one 1" piece of wire turn a double loop, slide on one Bead (art. 5328, 4 mm, Light Silk), and from the drop end, slip into the sixth link of the chain, slide on one Bead (art. 5328, 4 mm, Light Silk) and turn a double loop to end wire.
- STEP 10: Using a nine link piece of chain, open chain link and attach to an outside loop on the twisted round link, close chain link. Repeat this step for the opposite outside loop on the twisted round link.
Note: Make sure the Rivoli Round Stone component is completely dry before manipulating it.
- STEP 11: Using the seven link chain piece, open the end link from the opposite side of the drop and attach to the center loop on the Twisted Round link, close chain link.
- STEP 12: Using one ear wire from step 2, open loop and attach to the single loop on top of the twisted round link. Close ear wire loop.
- STEP 13: Repeat steps 5 – 12 for the second pair.
