Beads	5625	6 pcs.	10 mm	Crystal Golden Shadow	001 GSHA

Supplies: 99" 20 gauge Beadalon Silver Artistic Wire  
1 6 strand Tube Clasp

## Instructions

- STEP 1:** Cut wire into 66 1½" pieces.
- STEP 2:** Take one piece of wire and make a simple loop. Slide on one Bead art. 5625 10mm Crystal Blue Shade. Make a simple loop on opposite side. Take a second piece of wire and make a simple loop. Using same Bead slide wire into second hole and make a simple loop. Repeat step 21 times and set aside.
- STEP 3:** Take one piece of wire and make a simple loop. Slide on one Bead art. 5625 10mm Crystal Golden Shadow. Make a simple loop on opposite side. Take a second piece of wire and make a simple loop. Using same Bead slide wire into second hole and make a simple loop. Repeat step 5 times and set aside.
- STEP 4:** Take one piece of wire and make a simple loop. Slide on one Bead art. 5051 8x10mm Crystal Golden Shadow. Make a simple loop on opposite side. Repeat step 9 times and set aside.
- STEP 5:** The easiest way to make this bracelet is to lay out the full pattern on your bead mat and begin linking. The pattern is as follows: Working top to bottom (like a column) first lay out one Bead art. 5625 10mm Crystal Blue Shade, under that place one Bead art. 5625 10mm Crystal Golden shadow, and under that place one Bead art. 5625 10mm Crystal Blue Shade. Going back to the top bead in the pattern (Bead art. 5625 10mm Crystal Blue Shade) place to it's right one Bead art. 5051 10x8mm Crystal Golden Shadow, under that place two Beads art. 5625 10mm Crystal Blue Shade and finally under that place one Bead art. 5051 10x8mm Crystal Golden Shadow creating the second column.
- STEP 6:** To create the final row of the pattern lay out one Bead art. 5625 10mm Crystal Blue Shade, under that place one Bead art. 5625 10mm Crystal Golden shadow, and under that place one Bead art. 5625 10mm Crystal Blue Shade.
- STEP 7:** Now by opening and closing the simple loops begin following the pattern and linking the bracelet. Make sure to have the coated side of the stones all facing up before linking.
- STEP 8:** When linking is complete use the tube clasp to link one end of the bracelet to the rings on one side of the tube. Repeat for opposite side. (Note: if Bracelet is too small you can either add another full row of crystals or just small jump rings to create length.
