Nail design

- Step 1: Paint the first nail polish color onto the plastic nails and let them dry. Apply the second color at the base of the nail as shown in the illustration. Repeat the step for all the other nine nails.
- Step 2: Put some glue on to the tooth pick and stick the CRYSTALLIZED™ Flat Backs No Hotfix as shown in the illustration, repeat this for the other nine nails. Follow the pattern as shown in the illustration.
